INTRODUCTION

afrokaans is a wildly experienced production agency, based in the beautiful city of Cape Town.

We offer a full service to clients across genres and services, from **international facilitations** to **format development, large scale reality productions** to **original lifestyle programming, scripted** and **digital content**.

afrokaans will be able to assist in all aspects of **production facilitations and services** for international clients who want to film in **South Africa and Africa**.

afrokaans is a group of passionate, creative individuals who believe in **creating brilliance** in everything we do.

We combine our resources with other likeminded companies and talented freelancers to assemble and mobilise the most effective team for a specific project.
